HOUNSLOW HOSPITAL.

THE 54th ANNUAL REPORT.

THE Committee regret to report the loss by death of Miss F. Woods, a Lady Collector of many years standing.

A careful study of the reports and statements of accounts printed in this Report will reveal that the Hospital has had a wonderfully successful year.

With the growth of the Hospital, both in size and efficiency, the expenses naturally show an upward tendency. The ever generous body of supporters, however, may rest assured that every item of expenditure is most carefully scrutinised, and that the constant endeavour of the Committee of Management has been to promote efficiency with due regard to economy.

Several very heavy expenses have had to be incurred during the past year:—

(a) Heating Apparatus.—The Boilers which sufficed to heat the Hospital when there were no additions to the Men's or Women's Wards, and no Children's Ward, have proved incapable of functioning in an adequate manner owing to the far greater area now to be covered. This has made imperative the installation of extra heating apparatus at a cost of £207 15s. 0d.

(b) New Steriliser.—After many years of unceasing work the old steriliser completely broke down and a new and up-to-date one had to be substituted. This cost £168 15s. 0d.

(c) X-Ray and Out-Patients' Department.—For the complete equipment and erection of these two Departments a further additional sum of £643 15s. 4d. had to be found.

Not only have these very heavy items of expenditure been met, but it has been found possible to increase the Treasurer's Reserve Fund from £300 to ~~£500~~ and the ~~Painting and Repairs' Reserve Fund from £577 to £~~ *£1,500.*

During the past year legacies amounting to £2,002 have been received,

Although subscriptions show a small decrease, yet donations have very largely increased.

The Committee specially desire to place on record an expression of their deep appreciation of the very generous help given in the carrying on of the Hospital's work, not only by donors and subscribers, but by many others, too numerous to mention, who, at a considerable cost of money and time, have organised special efforts on behalf of the Hospital funds.

To Mr. Alban Scott, our architect, for his voluntary services rendered.

To Miss Burrell and the ladies who collected on Alexandra Day the sum of £300, of which £250 was allocated to our own Hospital by the Central Committee.

To the Hounslow Hospital Demonstration Committee and Horse Show Committee (see page 20), who raised £310 5s. 0d. and £180 respectively.

To Mr. A. B. Weston and Mr. F. W. B. Giltrow for organising a Bakers' Week Effort under the auspices of the Bakers' Local Association

To the Hounslow and District Labour Party, the Hounslow Conservative Club, and the Isleworth Women's National Unionist and Conservative Association, for various amounts subscribed.

To Mr. Bernhard Barron for a gift of £100.

To Messrs. Long and Pocock for a milk-round collection.

To Dr. Allen and Mr. Noakes for the silver paper collection, which realised £31 10s. 5d.

To Mrs. Newson and all the Overseers and Collectors for their painstaking work in collecting subscriptions and donations.

To the employees of Messrs. A. and F. Pears, £51, towards the maintenance of their Memorial Cot.

The Hospital Sunday Fund.

The League of Mercy.

The Local Churches, and

The Master and Wardens of the Girdlers and Broderers Companies, for donations.

To the Hospital Dart Competition, which raised £80 8s. 10d.

To the Heston and Isleworth Urban District Council for a donation of £100 towards maintenance.

To the Heston, Hounslow and Isleworth Masonic Charity for subscribing £100 towards the maintenance of their two endowed cots in the Children's Ward.

To the promoters of "Isleworth Day" for a contribution of £73 6s. 0d.

To Mrs. Shawyer for the money raised by her Doll Competition, £12 6s. 0d.

To Mr. R. Depledge, Mr. J. Durston, and the Committees of the Hounslow Cricket and Sports Club and the Philanthropic Society for the Annual Charity Cricket Match, which resulted in the sum of £63 being handed to the Hospital.

To Mr. J. F. Adcock and those who assist him in the box collections (see page 20), with a grateful acknowledgment of the work done by the various box holders each week in collecting contributions.

To Mr. Budd for his successful work in collecting £24 from small boxes given out by him to private residents.

To organisers of dances, entertainments, etc.

To the Ladies' Linen League, under the chairmanship of Mrs. Fenton, which has been responsible in supplying the Hospital with goods to the value of £124 5s. 4d. (see page 27)

To the Members of the Ladies' Working Party, under Mrs. Newson, for their kind assistance.

To Mrs. Newson for organising, and all who contributed goods or money on Pound Day.

To donors of gifts enumerated on page 27.

To Mr. Killin for winding and keeping in repair the clocks.

To Mr. Cavanna for daily supplies of ice free of cost.

To Messrs. A. Myland and F. Osborne for keeping the wireless installation in a state of efficiency.

To the R.A.O.B. Lodges of Hounslow and district for a donation.

To the Hospital Football Charity Cup Committee, through whose efforts a sum of £63 6s. 4d. has been received (see page 28).

To the Hospital Bowls Trophy Committee for a contribution of £25.

To the Chaplain, other Ministers and the Lady Choristers for their services.

To Miss Mengel for her personal services at the Hospital on Saturday mornings.

The Committee specially wish to express their appreciation of the devoted, efficient and unselfish services rendered, during a year of heavy and continuous demands, by the following:—The Honorary Consultants, The Hon. Medical Officers, The Resident Surgeon, The Matron, The Dispenser, The Nursing and Domestic Staff, The Lady Almoner, Mr. G. W. Cousins (the Hon. Treasurer), and Mr. W. T. Ross (the indefatigable Secretary).

Nurses' Home Extension.—Owing to insufficient accommodation for the Nursing Staff, it has been found necessary to enlarge the present Nurses' Home. The work is now being carried out at a cost of £3,502. For November, 1929, a "Dickens Fair" is being organised, by which effort it is hoped to raise a considerable portion of the above sum. At the present moment four nurses are sleeping in a small iron building and two are found rooms in private houses. This arrangement, the best that could be made under the circumstances, is most unsatisfactory, and could not be allowed to go on indefinitely. The Committee confidently rely on the generosity of the public to provide the money necessary for this much-needed addition, feeling sure that all will agree that one of the first cares of a Committee of Management should be to see that its hard worked staff should have suitable quarters for rest and recreation when off duty.

I have audited the above Balance Sheet with the Books, Accounts and Vouchers relating thereto and I have verified the Cash at Bank and the Investments held in Trust by the Official Trustees of Charitable Funds with the Certificates received therefrom. The Investments on Capital Account are included at their market value at the 31st December, 1926, as certified by the Hon. Treasurer, and the other Investments at cost.

I have not inspected the Deeds of the Hospital and Nurses' Home, which I was informed were held in safe custody at the 31st December, 1928, by the Westminster Bank Ltd., Hounslow. Subject to these remarks, the said Balance Sheet, in my opinion, is a full and fair one and correctly sets forth the position of the Hospital at the date thereof.

The Committee	

ALEXANDRA DAY.

The Sale of Roses on Alexandra Day in the Heston-Isleworth District and Feltham produced the record sum of £300, an increase of £41 on that of the preceding year.

The Central Committee gave a grant of £250 to the Hospital, and the remaining £35 was divided between the two Nursing Associations.

The Hon. Secretary cannot speak too highly of the splendid work put in by Superintendents and Sellers.

HOUNSLOW HOSPITAL DEMONSTRATION COMMITTEE.

Undaunted by the most atrocious weather which prevailed last year, damping everything except our ardour, we doubled our energies and looked forward to the attainment of our ambition to raise £400 during the coming year.

The two outdoor functions, graced with excellent weather, proved quite a success, thereby speaking volumes for the hard work accomplished and interest shown by the members of this Committee.

There being quite an influx of new residents, we anticipated more financially; nevertheless, we are grateful to our old supporters, who rolled up in excellent style.

The Dance Band Contest (the third annual) was again a huge success, and with a larger hall at our disposal promises to be even greater in every way.

The result of our efforts this year amounts to £310 5s. 0d., not quite that which we set ourselves to obtain; however, it is gratifying to report that, since this Committee was re-formed 3½ years ago, this amount brings the total amount raised to over £1,000.

We desire to thank the Tradespeople and Public for their generous support in the past, and trust they will again support us in the future.

F. W. DAVIDS FRANCIS, Hon. Gen. Secy.

ISLEWORTH AID AND WELFARE SOCIETY. SEASON 1928.

The Isleworth Aid and Welfare Society have had a reasonably good year, having been favoured on all occasions with good weather. As a result they have been able to distribute a sum of £227 12s. 2d. amongst the various Hospitals and Isleworth Nursing Association, of which Hounslow Hospital received £73 6s. 0d. In view of the methods of collection, which entail arranging Dancing Displays, Fetes, Whist Drives, etc., this has not been an easy matter. Fortunately, it is combined with a large amount of social work, which has a good effect generally. In addition to the donations to the Hospitals, the Society has given the usual Christmas Treats to old people and poor children in the neighbourhood. Every effort is being made to continue the good work, and plans are in hand which, it is hoped, will enable considerable developments in the coming year. New members, willing to work, are invited.

We have to record with great regret the death of Mr. T. Chedghey, one of the founders of the Society, Chairman for 1927, and a foremost worker.

HOUNSLOW HOSPITAL.

MAINTAINED BY VOLUNTARY CONTRIBUTIONS.

RULES.

1.—The Institution shall be called “The Hounslow Hospital,” and its object shall be to afford Medical and Surgical Treatment to the sick poor of the neighbourhood, either as in-patients or out-patients, and to afford relief in cases of accident or emergency. Private patients may also be received.

2.—Annual subscriptions shall be payable in advance, and shall be deemed to become due on January 1st in each year. All subscribers of 2s. 6d. and upwards during the past financial year shall be entitled to vote at the Annual or any General Meeting.

3.—Annual subscribers shall receive four official letters of recommendation for each guinea subscribed. Annual subscribers of less amount shall receive at the rate of one letter for each 5s. 3d. subscribed. Every donor who contributes £21 or upwards at one time, or within four years, shall be a Governor for life, and shall be entitled to vote at the Annual or any General Meeting, and receive eight letters annually. In the case of collections from Churches and Societies, letters proportionate in number to the amount of the collection shall, unless otherwise specified, be forwarded to the Clergyman or Minister, or other authorised person, who shall be entitled to vote at the Annual or any General Meeting.

4.—A General Meeting of Subscribers (including Life Governors) shall be held annually in the month of February, when the accounts of the previous year, duly audited, together with the Report, shall be submitted, and the Committee for the ensuing year shall then be elected. Such Committee shall consist of 18 elected members and, in addition, one representative member from any authorised society or organisation contributing during the past financial year the sum of £50 or upwards who is nominated by the society or organisation concerned, and approved of by the General Meeting of Subscribers.

Those eligible for election to the Committee shall be as follows:

- (a) Subscribers during the past financial year of 10s. 6d. or upwards.
- (b) Life Governors and Honorary Life Governors.
- (c) Authorised representatives of contributing congregations.

In the event of a vacancy occurring the Committee shall have power to fill the same from the list of General Subscribers, Life Governors, or from the contributing society concerned, as the case may be. The Medical Staff and Treasurer shall be deemed ex-officio members of the Committee. Notice of such Annual Meeting (or any meeting specially called) shall be sent to each Subscriber, Life Governor, Hon. Life Governor, or Representative, at least seven days before the holding thereof.

5.—The Committee shall have power to appoint at their discretion as an Honorary Life Governor any person who has rendered exceptional personal service to the Hospital.

6.—An Honorary Life Governor shall have four official Hospital letters of recommendation per annum, be eligible to vote at the Annual Meeting, and also be eligible to be elected on the General Committee.

7.—The Committee who shall appoint its own officers, shall have control of the Hospital and its funds, shall appoint the Medical Staff and the Matron, and make such other appointments as may by them be deemed necessary or desirable. They shall meet at least once a quarter. Nine members shall constitute a quorum. The Committee may make such regulations and by-laws for the management of the Hospital as they may think fit, and they may delegate any matter to a sub-committee appointed by them.

8.—No pregnant woman (except in extraordinary cases, such as accidents, or where some surgical operation is required), no insane person, no person subject to chronic epilepsy or suffering from any infectious disease, confirmed consumption, or any disease that may be judged incurable, shall be admitted as an in-patient.

9.—No persons, unless Private Patients, can be admitted as in-patients without the official letters of recommendation, except in cases of accident or emergency.

10.—In-patients shall contribute according to their means a weekly sum (the amount of which will be fixed after careful enquiry by the Almoner and the Charges Sub-Committee), and in addition shall provide two official Hospital letters of recommendation each week, or their equivalent in cash.

Children under ten years of age will only require half this number of letters.

11.—No patient shall be retained for treatment beyond three months without the special sanction of the Committee or Charges Sub-Committee.

12.—Out-patients may be treated on such conditions and terms as the Committee may determine.

13.—The diet of the patients shall be in strict accordance with the orders of the Medical Officers; and no article of food or drink shall be permitted for the use of patients without the approval of the Matron.

14.—Patients may be visited at all suitable times by any Minister of Religion they may desire.

15.—The Committee in their discretion may call an Extraordinary General Meeting. Fourteen clear days' notice of such Meeting shall be given, and the object for which it is called shall be stated on the notice. No other business shall be taken at such a Meeting.

16.—No alteration of the Rules of the Hospital shall be made except at a General Meeting, and by a majority of two-thirds of those present and voting, and the purport of any proposed alterations shall be stated on the notices calling the Meeting.

HOUNSLOW HOSPITAL.

1.—The Matron shall keep an Inventory of all goods belonging to the Hospital, and shall be responsible to the Committee for all household furniture, bedding, culinary articles and stores, and shall report to the Committee such articles as may from time to time be required, or need to be replaced, keep an account of all goods—surgical, medical and household—belonging to the Hospital, and of the daily expenditure, and shall have power to engage and discharge the Nursing Staff and Servants.

The Matron shall have entire control of the Nursing Staff and Servants and apportion to each their duty.

2.—No member of the Nursing Staff or servant shall on any account whatever leave the Hospital without permission of the Matron.

3.—Breakfast shall be cleared away and the Wards cleaned and put in order by nine o'clock each morning.

4.—In-patients shall be in bed by 8 p.m.

5.—Unless otherwise ordered by the Doctor in attendance, each patient on admission shall have a bath; and each patient on admission shall be placed in a clean bed.

6.—No patient shall receive more than two visitors at one time without special sanction of the Matron.

7.—Visitors shall not sit upon the beds, nor shall they bring anything into the Hospital, nor take anything out, without the sanction of the Matron.

8.—Private patients may be received at the discretion of the Matron, and with the approval of a member of the Medical Staff.

Patients in the private wards shall pay six guineas per week, and in the General Ward two guineas per week, unless otherwise agreed by the Committee.

9.—All out-patients shall pay sixpence each time they attend the Hospital. Accident, emergency and special cases shall pay such sum as the Committee may decide.

10.—Out-patients shall provide an official letter of recommendation on each visit to a member of the Consulting Staff.

11.—Trusses and surgical appliances may be supplied to the value of Official Hospital letters of recommendation.
